*Why should  
a Business  
Become a  
Partner of  
NJHEPS?*

**NJHEPS**

NJHEPS is a membership-based, professional association founded in 1998. Members include institutions of higher education, non-profit organizations, and individuals from throughout New Jersey who share a common interest in sustainability in higher education.

Sponsorship runs for one year, and covers all individuals at a corporation.

NJHEPS relies largely on institutional memberships (Colleges and Universities) for its core operations budget. Individuals whose institutions are not yet a member may join as Associate Members. See membership application for rates. Corporate sponsors are entitled to many of the benefits typically associated with membership.

#### GROUP SPONSORSHIPS

- Social Partners – non-governmental organizations, government agencies, foundations, other nonprofits.
- Business Partners – businesses that support our programs and goals.

#### INDIVIDUAL MEMBERSHIPS

- Student – full- or part-time students whose institution is not yet a member
- Business Professionals – business professionals that support our programs and goals.

Varying levels of benefits exist for different sponsorship levels

\*\*All NJHEPS Corporate Sponsors are recognised on our website.\*\*

## Why should a Business Become a Partner of NJHEPS?

### Individual Associate Partners

Networking - meet with the leaders and decision makers of over 40 of the leading NJ Colleges and Universities (sustainability coordinators, facilities managers, faculty) paving the way for sustainability in New Jersey.

### Business Partners

- Free Displays and Attendance at NJHEPS workshops, offering expert speakers and peer leaders from the NJ higher education sector:
  - Energy workshops, various months throughout the year
  - Green Design workshop, biannually
  - Faculty/student workshops, biannually
  - Environmentally Preferable Purchasing workshop, annually
  - Opportunities to propose important technologies be considered for future workshop events for the membership
- Recognition of your sponsorship on NJHEPS website, share the ways in which you can help our members institutions reach their sustainability goals. NJHEPS website has links to case studies, model projects, presentations, publications, sample documents, and other useful resources

### Corporate Sustaining Partner

- Newsletters with timely notices of events, grants, and campus achievements throughout

New Jersey and your name will appear in each one as a Corporate Sustaining Partner.

- Publications—targeted to higher education and free—to reduce costs and green campus operations throughout NJ, your name will appear on NJHEPS publications
  - Campus Energy Toolkit
  - High Performance Campus Design Handbook, Vol. One: Rationale and Overview; Revised
  - High Performance Campus Design Handbook, Vol. Two: Green Design Guidelines
  - Energy case studies
  - Opportunities to Sponsor new NJHEPS publications
- Free 2-hour briefing for their senior executives on "the business case for sustainability", and how being sustainable can improve your competitive advantage, reduce costs, increase revenues & profits, attract investors and make both your shareholders and stakeholders happy.
- Publicity and national recognition for your company's sustainability achievements.

And Much, Much More....

Your corporate sponsorship is tax deductible and pays for its self with the benefits you receive. Join today and become part of our higher education social network.
